The competition was intended for ČACH member clubs and foreign guests and is part of Czech National Cheer League (CNCL) and European Cheerleading League (ECL). Czech teams also fought here for nomination to the ICU European Championship 2024 in Norway.

During the whole day, we could see a total of 217 competitive performances by athletes from Czech Republic and foreign guests from Poland, Slovakia, Ukraine, Austria, Croatia, Estonia, Switzerland, Slovenia, Latvia and Italy. 1,500 athletes from 37 clubs took part in this event. The competition was watched by 1,500 spectators who, together with the other participants in the competition, created an incredible atmosphere in the hall.

The first three placed teams received original custom medals with the competition logo, and the category winners received a team trophy. During the whole day, participants could also enjoy the rich Shop&Fun Zone with PCO products (original t-shirt, buttons, magnets, ribbons) and cheer shops, workshops for children, video replay, airbrush tattoo and rich refreshments. Coaches and cheerleaders could purchase or order an event t-shirt with the competition logo, video recording of the performance and photos from the floor and photo booth.
